

# UNLOCKING POTENTIAL

## Announcing Virtual Workshops and Remote ISTE

Can't attend ISTE 2011 in person? Now there are two ways to participate remotely. Space is limited—sign up now to experience the same great content that conference attendees receive without leaving home!

## Virtual Workshops

Seven of ISTE's most popular conference workshops will be presented live online for remote access. These workshops will be offered at variable times to accommodate a wide range of international time zones. **Cost is \$79 per person and includes access to a webinar or archives.**

### Map Mash-Ups that Motivate: Become Information Producers by Creating GoogleTreats [VW01]

**Sunday, June 26, 2011**

9:30 am–12 pm EDT (1:30–4 pm GMT)

Alice Christie, Arizona State University

Numerous examples of how K–12 students and teachers use Web 2.0 tools to create content that engages, empowers, and motivates digital age learners.

### Oh, the Places You Will Go: Google Earth, Google Maps, and Google SketchUp [VW02]

**Sunday, June 26, 2011**

1:30–4 pm EDT (5:30–8 pm GMT)

Robert Craven, Saddleback Valley Unified School District

Engage students with Google Earth, Maps, and SketchUp. These tools provide endless educational opportunities for all learners to explore and create.

### Google Earth Rocks: A Powerful and Free Cross-Curricular Learning Tool [VW03]

**Monday, June 27, 2011**

1:30–4 pm EDT (5:30–8 pm GMT)

Anna Baldwin, Clemson University with Chris Peters and Ryan Visser

Explore and create with Google Earth's built-in features in this fun, practical, and hands-on workshop.

### Connect, Collaborate, and Create with the World—Global Collaborative Learning [VW04]

**Monday, June 27, 2011**

5:30–8 pm EDT (9:30 pm–12 am Wednesday GMT)

Mali Bickley, Connect-Ed with Jim Carleton

This hands-on workshop will introduce you to global collaborations while embedding a variety of Web 2.0 tools in project-based learning activities.

### Oh, the Things You Can Do with Google Spreadsheets and Forms [VW05]

**Tuesday, June 28, 2011**

12:30–3 pm EDT (4:30–7 pm GMT)

Tammy Worchester, Educational Services & Staff Development Association of Central Kansas

Learn the cool things you can do with Google Forms and Spreadsheets: Online lesson plans, surveys, self-checking quizzes, data gathering, and more!

### Touch the Future: iPads in PK–12 Classrooms\* [VW06]

**Tuesday, June 28, 2011**

5:30–8 pm EDT (9:30 pm–12 am Wednesday GMT)

Susan Brooks-Young, SJ Brooks-Young Consulting with Chris O'Neal

Review education apps, address management and safety issues, and plan instructional activities.

\*iPad required for this workshop.

### 14 Ways to Integrate Social Media into Your Classroom [VW07]

**Wednesday, June 29, 2011**

9:30 am–12 pm EDT (1:30–4 pm GMT)

Howie DiBlasi, Digital Journey

Explore social media, bookmarking, and networking tools and learn how to integrate them into your classroom.

ISTE Virtual Workshops and Remote ISTE are presented in English via Adobe Acrobat ConnectPro®, a Flash-based platform that both Mac and Windows users can easily access. You will need an internet connection to participate. Audio is provided through your computer (via VoIP). Additional details will be provided via email to registrants prior to the workshop.

**REMOTE ISTE**

# Remote ISTE 2011

## A Whole Day of Unlocking Potential!

Tuesday, June 28, 2011

Offered for the first time to individuals, Remote ISTE is a way to participate in a full day of the ISTE 2011 conference from the comfort of your home or office! Choose from one of two tracks or **mix and match across tracks**. In addition to the content below, you'll also receive access to facilitated asynchronous pre- and post-conference web activities and resources.

**Cost is \$99 per person and includes access to a webinar archive of Remote ISTE activities.**

### Keynote

**Track 1: 8:45–10 am EDT (12:45–2 pm GMT) / Track 2 (recorded): 3:30–4:45 pm EDT (7:30–8:45 pm GMT)**

#### Unlocking Potential with the “Leader in Me”

Join elementary school Principal Muriel Summers, Dr. Stephen R. Covey, and a panel of students as they discuss how the application of Dr. Covey's recent book, “The Leader in Me: How Schools and Parents Around the World are Inspiring Greatness, One Child at a Time” is transforming educational experiences worldwide.

### Track 1

**8 am–5:30 pm EDT (12–9:30 pm GMT)**

- **The Tech Commandments: 10 Ways to Revitalize Education with Technology [Session]**

10:30–11:30 am EDT (2:30–3:30 pm GMT)

*Adam Bellow, eduTeacher*

Explore 10 ideas that will revitalize the thinking behind modern educational technology. The presentation is high-energy, engaging, motivating, and poignant.

- **Oh, the Things You Can Do with Google Spreadsheets and Forms [Workshop]**

12:30–3 pm EDT (4:30–7 pm GMT)

*Tammy Worchester, Educational Services & Staff Development Association of Central Kansas*

You won't believe all the cool things you can do with Google Forms and Spreadsheets: Online lesson plans, surveys, self-checking quizzes, data gathering, and more!

- **New Media, New Literacies: Educational Transformation through Digital Creativity [Session]**

3:45–4:45 pm EDT (7:45–8:45 pm GMT)

*Jason Ohler, University of Alaska*

You will learn about our digital age mission: to migrate from text-centrism to new media, adopt art as the fourth R, and tell media stories in compelling, innovative ways.

- **...plus interactive visits to poster sessions, playgrounds, and exhibits.**

### Track 2

**11 am–8:30 pm EDT (3 pm–12:30 am Wednesday GMT)**

- **What Teachers are Doing with Mobile Learning in K–12 Classrooms [Session]**

12:15–1:15 pm EDT (4:15–5:15 pm GMT)

*Cathleen Norris, University of North Texas with Elliot Soloway*

Mobile learning devices (smartphones) are THE choice for 1-to-1, 24/7 rollouts. Learn about K–12 teachers' experiences—from challenges to successes—with mobile learning devices.

- **What's Your App? Finding Real Solutions with Today's Applications [Session]**

2–3 pm EDT (6–7 pm GMT)

*Gail Lovely, GailLovely.com (moderator) with Yvonne Marie Andres, Hall Davidson, Steve Dembo, Wesley Fryer, Carol Teitelman, and David Warlick*

Join this fast-paced panel for a fun and informational session about real classroom challenges and the apps that help to meet those challenges.

- **Touch the Future: iPads in PK–12 Classrooms [Workshop]\***

5:30–8 pm EDT (9:30–12 am Wednesday GMT)

*Susan Brooks-Young, SJ Brooks-Young Consulting with Chris O'Neal*

iPad offers access to audio, video, and applications. Attend this workshop to review education apps, address management and safety issues, and plan instructional activities.

\*iPad required for this workshop.

- **...plus interactive visits to poster sessions, playgrounds, and exhibits.**

[ISTECONFERENCE.ORG/REMOTE-ISTE](http://ISTECONFERENCE.ORG/REMOTE-ISTE)

ISTE 2011 is ISTE's annual conference and exposition, formerly the National Educational Computing Conference (NECC), and is hosted by the International Society for Technology in Education (ISTE®).
